

WORLD CUP-TESTER IDRE FJÄLL

27 & 30 JUNE 2021

Idrefjällens OK welcomes you to two WC-tests. On Sunday 27 June there will be a middle distance and on Wednesday 30 June a long distance. These competitions will be an opportunity for those who wish to participate in the Swedish team in the Orienteering World Cup Idre Fjäll 12-15 August 2021.

These races are only open for M21E and W21E. For others who want to run on Idre Fjäll during the summer, we refer to Idrefjällveckan Light 2021 and Idrefjällssommaren 2021. See separate invitation for this on [IOF Eventor](#).

The races will be adapted to the pandemic. This means that we will have no arena, no number bibs, no speaker, no shower etc. However, the execution will be as race-like as possible regarding start, courses, finishes etc.

There are many accommodation options at Idre Fjäll and how to book is described in the invitation. Don't forget to register for the races in [IOF Eventor](#).
